

# THE DIABETES DIAGNOSTIC & TREATMENT PROTOCOL™

Become a **DIABETES PREVENTION PRACTICE**

CREDENTIALS

TRAINING

SOFTWARE

DIAGNOSTICS

✓ The CDC and NDPP recognize that PREVENTION is better than cure.

✓ Provide PROACTIVE CARE and TREATMENT for patients with diabetes or prediabetes as a Diabetes Prevention Practice.

✓ A fully REIMBURSABLE program, designed off CDC, NDPP and top university hospitals

✓ LOWER patient risk of developing Type 2 diabetes by 58%.

Enrolling just 10 PATIENTS per month can generate significant revenue for your practice.

CMS and Commercial Insurance payers.

DELAY, REVERSE or PREVENT diabetes in your patients by credentialing as a Diabetes Prevention Practice.
